

Why FAFCO?

Pioneered solar pool heating industry in 1969.

Over 2 Million panels installed worldwide.

Fully wetted surface places more water in touch with sun's energy.

21 patents, international and domestic.

Patented flow metering system.

FAFCO has been blending and extruding its own solar panel materials longer than any other company in the business.

State-of-the-art roof mounting system.

12 year worry free warranty.

**Enjoy an
Endless
Summer**
